COMMITTEE ON APPROPRIATIONS

WASHINGTON, D.C. 20510

June 18, 1982

Honorable William J. Casey
 Director of Central Intelligence
 Washington, D.C. 20505

Dear Mr. Director:

The Committee is greatly concerned that procedures designed to ensure proper distribution of sensitive intelligence information are not being followed. Highly classified intelligence continues to be delivered to uncleared personnel; yesterday, alone, three separate documents intended for Committee use were left with personnel without the requisite security clearances.

In order to prevent future mishaps, the Committee requests that all intelligence and intelligence-related material be addressed to me as Chairman of the Defense Appropriations Subcommittee and left with the personnel ordered in priority on the attached list. Only these staff members are cleared to receive intelligence data. The Committee accepts no responsibility for documents delivered to other committees or personnel.

Should problems arise regarding a specific delivery or should you have any questions, please contact Susan Shekmar on 224-7206. I am confident that limiting deliveries to the aforementioned staff will minimize the chance for any unnecessary intelligence compromise.

With best wishes,

Cordially,

 TED STEVENS
 Chairman
 Subcommittee on Defense
